Liernik 15cm-ko aldeak duten lauki formako 3 irudi ditu eta marko bana ipini nahi die.

- Zenbat zentimetro listoi beharko ditu?
- 2 metro listoi erosi baditu zenbat zentimetro sobratuko zaizkio?
- 2 metro eta 40 cm listoiarekin, lauki formako zenbat argazkiri jar diezaioke markoa?

Markelek laukizuzen formako kurtsail bat du, 60 metro eta 25 metro luze diren aldeak dituena. Lursailari hesia jarri dio. Zenbat metro hesi erabili ditu?
