Hi Daisy,

How are you? I hope you're OK. I've just got back from a Britney Spears concert and it was great!

Britney Spears is my favorite singer. She's from Louisiana, USA, and she's a fantastic performer and an amazing dancer. I also think that Britney Spears is a good actress. She starred in the movie *Crossroads* in 2002 and she was great in it.

She sings pop songs and her music is very good. I really like Britney's music because it always makes me want to dance, and it also makes me feel very happy! I have all six of her albums and I love every one of them! My favorite Britney Spears album is *The Greatest Hits: My Prerogative*. I like it because it includes her best songs. Have you heard it?

Anyway, I have to go now. Write back soon.

Love,
Lisa
