Hi Peter,

Thanks for your letter. It's very interesting to know about schools in the USA.

I think schools in Viet Nam are a little different. Vietnamese students usually wear school uniform. Classes start at 7.00 and end at 11.30 each morning. Students have a 20-minute break after three periods. At break, many students play games. Some go to the canteen and buy something to eat or drink. Others talk together. Our school year lasts for nine months, from September to May. Then we have a two-month summer vacation.

Please write soon and tell me about your summer vacation.

Your friend,

Hoa.
