It finally Christmas! It my favourite time of the year! I'm spending every Christmas with my family. We are all gathering at grandma's house and sitting in front of the fireplace. We give each other gifts and are singing songs. We're decorating the Christmas tree and watching Christmas movies. But this year is different! I have two Christmases! I spend Christmas first with my family, and then I go somewhere with my boyfriend. We are liking family, but we're in love and we are really enjoying spending some time just the two of us.
