Looking for fun this summer break?

Visit us at Potter's Pottery!

Pottery is a perfect hobby for children. It doesn't need complicated or expensive equipment. It only needs a small working space, clay, sand, soil, water and some paint. Making pottery is a good way to spend a school break. You can explore your creative side. At Potter's Pottery, you can design your own art piece and paint them the way you want. And you can gift-wrap your proudest piece! Even better, you can enter our monthly competition to win a gift set for making pottery at home! You can visit website to support our collections by local artists at special prices or check out our store at Central Hat Yai. We also offer a free pottery class – please call for a booking.

	"Frog soup", named after its color, may not sound delicious, but its benefit is huge and it is so tasty that my kids always ask for more. Here are its cooking steps:
5	1. Heat the oil in a large saucepan. 2. Add some onion, celery, and potato. Then, fry them over a medium heat for 5-7 minutes until softened. 3. Pour water or stock over them and turn to a boiling heat. 4. Once boiled, cover the pan and boil the soup at a medium heat for 15 minutes.
10	5. Add some green peas and cook for a further 5 minutes until the potato is tender. 6. Use a food processor to blend the soup until smooth. 7. Serve the soup with green peas or grated cheddar cheese on top, whichever you prefer.

83. Why is it called "frog soup"?
1. Because frog meat is one of the ingredients
 2. Because it helps make kids to be as strong as leaping frogs
 3. Because the cooker serves the soup in a frog bowl for the kids
 4. Because the soup looks green from the vegetables used in the soup
 5. Because the cooker would like to make the name sound interesting for kids
84. What does "huge" (line 2) mean?
1. Great
 2. Little
 3. More
 4. Same
 5. Popular
85. What does "them" (line 7) refer to?
1. The saucepans
 2. The vegetables
 3. The green peas
 4. The water and stock
 5. The time of 5-7 minutes
86. What is the last cooking step of "frog soup"?
1. Heat the oil
 2. Fry onion, celery and potato
 3. Add green peas and boil a bit more
 4. Blend the soup with a food processor
 5. Boil at a medium heat for 15 minutes
