When they were boys, Tom Starkell and his younger brother Jeff never had boring vacations. Their dad loved adventure, so he organized amazing trips every summer. They swam across lakes, walked through forests, and, one summer, when Tom was only eleven, he climbed Mount Rundle in Canada with his dad. The mountain is 3,000 meters high!

When Tom and Jeff finished school in 1980, their dad planned the best trip ever! The three of them went canoeing. They started in Canada, went through the US, and the trip ended in Brazil two years and 20,000 kilometers later!

1. How old are Tom and Jeff Starkell?

a. They are the same age. b. Tom is older than Jeff. c. Jeff is older.

2. Who planned summer adventure trips when Tom was young?
