PART 3 Read the review. Match the headings (14-17) with the paragraphs (A-D)

14. The story
15. Susan's overall opinion
16. Background information about the film
17. Other aspects of the film

A One of my favourite films is pirates of the Caribbean: At World's End. It's an adventure film, starring Johnny Depp and Keira Knightley, and it's the third film in the series.

B The story is set in an imaginary world of pirates. Elizabeth, Will and Captain Barbarossa rescue Captain Jack Sparrow from a monster called The Kraken'. However, they then face the evil Davy Jones and a Chinese pirate called Sao Feng.

C The special effects were really amazing, especially the terrifying face of Davy Jones. The acting was excellent too, in spite of the fact that the screenplay wasn't very good. I especially liked Keira Knightley, and Bill Nighy who played the part of Davy Jones.

D Like the other films in the series, it is full of action and really exciting, although I think the second film in the series was a bit better. Nevertheless, I thoroughly recommend it.

- **Read the review again. Write T (true), F (false) or NG (not given).**

22. This film is a very different from the other films in the series.

Subjet: Birthday Party!

Dear Jen,

I'm sorry that you couldn't come to my birthday party last Saturday. We prepared all week for the party and there was a lot of food! My sister, Ann, helped me with the planning. She did the shopping and made a chocolate cake. Dad bought me a digital camera at the Mega mall which I really needed. Mom bought me a great skirt with green and yellow polka dots. Mom is the owner of a clothing store, so she knows what is in fashion. I wore it for the party and it looked really cool! I hope I get to see you soon!

Love, Emily
