Long ago, this town was much smaller. It was only a 1  with a few houses. The people who lived here were Vikings. Most of them were farmers. They grew 2  like peas and carrots. Young boys wanted to be 3  when they grew up. They practiced their 4  skills with swords and shields. They also helped the men 5  animals. The women spent the day 6 . Then they made dinner. They cooked delicious 7  with the meat and vegetables, and they enjoyed a meal together with their family every evening.
