

FILL IN THE GAPS WITH THE PROPER GRAMMATICAL FORM

9

Computers and microchips already part of our everyday lives.	BECOME
We read magazines which on computers, we buy things with the help of computers, we pay bills prepared by computers.	PRODUCE
Just a phone call involves the use of a sophisticated computer system.	MAKE
In the past, life without computers was much than it is today.	DIFFICULT
The first computers were able to multiply long numbers, but they do anything else.	NOT CAN
Nobody stories about robots and space travel, but now computers are able to do almost all difficult jobs.	BELIEVE
What makes your computer such a miraculous device? It is a personal communicator that you to interact with other computers and with people around the world. And you can even use your PC to relax with computer games.	ENABLE
