

1. Let's drag the shapes and drop in the correct blank.

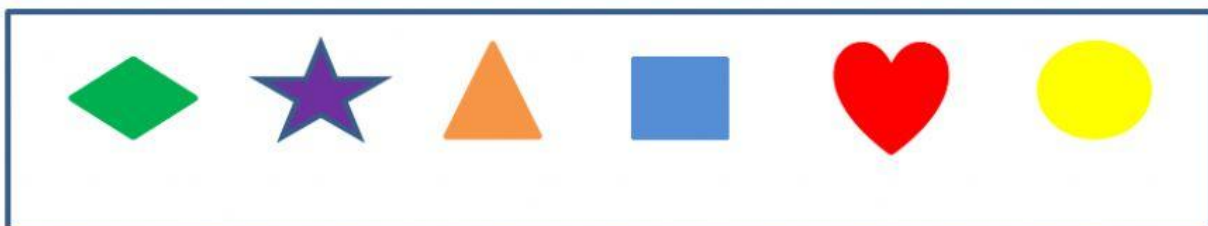

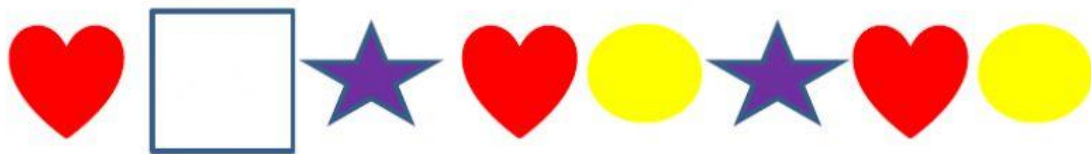

# Shapes

2. Count the shapes and choose the correct number.

3. Let's look at shapes in each set and then drag the shape in the shape bank and drop in the correct blank.

#### 4. Let's help the Monsters identify these shapes by tick to the correct shape.

Where is the  
circle?

Where is the  
heart?

Where is the  
square?

Where is the  
triangle?

Where is the  
star?

Where is the  
diamond?
