VIII. Read the passage and then answer the questions True (T) or False (F)

Computers are now very useful and important for people all over the world. Computers have been in use widely in Viet Nam nowadays and they completely changed the face of Viet Nam.

Computers have contributed greatly to the modernization of Viet Nam. With the help of computers, we can communicate with the other people thousands of kilometers away in a second. We can know the information on science and technology, medicine or education not only in our school but also in other countries very quickly. Accounting tasks took a person the whole day to calculate but now it can be accomplished in a very short time. Some universities without libraries is now stored in the universities' computers. Students can send and receive messages by using computers. Computers are wonderful. They can help us save time
