Pronouns

Hi everyone! My/Mine name is Noa. I'm 15 years old and I have three siblings: two brothers, Liad and Yuval and one sister Karin. I want to tell you a bit about they/them.

Liad loves computer games. He/His computer is new and super fast! Our parents gave it to he/him as a birthday present, but he allows we/us to play as well.

Yuval is a football player. He practices with him/his team almost every day. Yuval also plays the piano as a hobby. He/His piano is old and special!

Karin is my older sister. She is a student and she lives in Ashdod. She/Her home is big and cozy, and I love visiting her/hers.

They are my/me best friends and I love they/them!
When I have a problem, they always help my/me.
I'm the youngest in my/mine family so me/my siblings always tell me that I'm their/theirs baby and it makes me laugh!

I love my family! They/Their are mine/my and I'm their/theirs.

I told you about my/mine family and I wish you can tell I/me about your/yours.
