High-Frequency Words

Complete Sentences

In English, there are two kinds of letters: capital letters and lowercase letters. We ALWAYS start a sentence with a capital letter. We ALWAYS end a sentence with an endmark. The most common way to end a sentence is with a period.
En inglés, hay dos tipos de letras: mayúsculas y minúsculas. SIEMPRE comenzamos una oración con una letra mayúscula. SIEMPRE terminamos una oración con un final. La forma más común de terminar una oración es con un punto.

there is a new girl at school	
her name is Lupe	
she has science with Pat and Ron	
next, they have gym class	
she is really fast
