Unit 1: Exercise 9

Read the email. Then complete the exercise on the next screen.

A Dear Jane,

Thank you for your email. It was very interesting to hear about your life in Cambridge. I am writing to tell you about my typical day in Rome.

B On school days, I usually get up at 7:00 a.m. I have a shower and get dressed. In Italy, we don't have to wear a school uniform like you do in England, so I normally wear jeans and a tee-shirt. Then I have breakfast with my parents and sister. I usually eat a croissant with jam and drink orange juice.

C My school starts at 8:30 a.m., so I leave my house at 8:00 a.m. I don't live far from the school, so I walk there with my friends. My sister's school is far away, so she takes a bus. I have lessons in the morning until 1:00 p.m. and then I go home and have lunch with my mum. In Italy we often eat a lot for lunch, including pasta, meat and salad, but we have a much smaller dinner.

D In the afternoon I do my homework and help my mum to do the housework. I do the washing up and take out the bins. I have football practice on Tuesday afternoons and a piano lesson on Thursday afternoons.

E I have dinner at about 7:00 p.m. Every day after dinner, I go for a walk with my family around our neighbourhood. We often stop and have an ice cream in my favourite ice cream shop. I usually go to bed at about 10:00 p.m., as I have school the next day.

F Hope to hear from you soon.

Best wishes,

Alessia
