"Luka"

My name is Luka
I on the second floor
I upstairs from you
Yes I you've seen me before

If you something late at night
Some kind of some kind of fight
Just don't ask me what it was
Just don't ask me what it was
Just don't ask me what it was

I think it's because I'm
I try not to too loud
Maybe it's because I'm
I try not to act too

They only hit until you
After that you don't why
You just don't anymore
You just don't anymore
You just don't anymore

Yes I I'm okay
I into the door again
Well, if you that's what I'll say
And it's not your anyway
I guess I'd like to be
With nothing nothing ……..

Just don't ask me how I am *[X3]*

My name is Luka
I on the second floor
I upstairs from you
Yes I you've seen me before

If you something late at night
Some kind of some kind of fight
Just don't me what it was
Just don't me what it was
Just don't me what it was

And they only hit until you
After that, you don't why
You just don't anymore
You just don't anymore
You just don't anymore
