1 Gareth, 16

I'm training to be a professional chef, so I'm very busy. When I find time to read, I like books that help me forget about my work and studies. I love reading about the real lives of successful, famous people. I'm not really into romantic stories.

2 Karen, 18

I'm a student and I don't have much time to read for pleasure. I enjoy practical books. One of my favourites is *101 Things Every Student Needs to Know*. I hate books about monsters and space.

3 Nathan, 16

I love getting lost in great stories. I enjoy reading stories about the lives, love and relationships of people from the past. I like a book to make me laugh, cry and to show me what life was like in other countries, at other times.

4 Sean, 15

I like books where the heroes are teenagers like me. I prefer stories that don't follow the rules of the real world. My favourite books have incredible people, strange aliens and amazing events. I don't like stories with romance in them.

5 Gemma, 18

I'm studying Science, but I prefer fictional books that make me forget about the real world. When I was a little girl, I used to imagine I had magic powers. I killed monsters and fought dragons – things like that. Now I'm older, I like stories that mix romance with fantasy.

Twilight, by Stephenie Meyer

This is a fantastic story about a young student called Bella. She falls in love with Edward and then finds out he's a vampire. We think it is a future classic.
