ANGOL NYELV KÖZÉPSZINTŰ ÍRÁSBELI VIZSGA 2021. október 21. III. Hallott szöveg értése

TASK 1

• In this section you will hear a philosophical story about the importance of attitudes.

• Your task will be to decide whether the following statements are true, false or we do not know because the text does not say, and write the appropriate letter in the boxes on the right. Write A if the statement is true, write B if the statement is false, and write C if the text does not say.

• First, you will have some time to look at the task, and then we will play the whole recording in one piece.

• Then, you will hear the recording again, but this time we will play the text in shorter sections to give you enough time to write down your answers.

• A= TRUE B= FALSE C= THE TEXT DOES NOT SAY

0 The two villages were quite a long way from each other. **C**

1. The traveller asked the monk what it was like in the village in the mountains.

2. The monk asked the traveller to repeat his question.

3. The monk told the traveller that he should expect something similar in the next village, too.

4. The traveller arrived in the village shortly after talking to the monk.

5. The second traveller asked the monk what life was like in the village he was going to.

6. The monk used to live in the village the second traveller was coming from.

7. The second traveller said that the people in the mountain village were extremely nice and good-hearted.

8. The monk told the second traveller that the people in the next village were rather unwelcoming.

That is the end of Task 1.
