Dear Nana,

I'm so glad I followed your advice and chose Viet Nam as my summer vacation destination. It is one of the best decisions I've made. Thank you so much.

The structure was still there but it looked nothing like the picture you showed me. Local people said it had been restored many times in the past 50 years so the appearance altered a lot. Luckily, the *pho* restaurant next to the pagoda remained unchanged. And you were right; they served the best *pho* I've ever eaten.

Love,

Nick
