

Complete the text with past simple or past perfect:

I can't believe I _____ (see) Bradley Cooper last week. I _____ (shop) all day when I noticed that a lot of people were excited about something near the main entrance of the shopping centre. When I _____ (get) there to take a look around, there were at least one hundred other people who _____ (arrive) before me. Most of them _____ (take, already) a photo of Bradley who was busy signing autographs. I _____ (never, think) that he would be so popular. He _____ (work) as a waiter for many years before he became a celebrity. Of course, he _____ (be) well-known before they made "A star is born" but I believe is this film which _____ (cause) all the excitement among teenagers that day.
