Hi Jan,  
I'm really enjoying my exchange visit to South Africa. I'm still not sure but I **might / have to / don't need to** stay here an extra few weeks.  
I've just come back from an amazing tour **who / which / whose** my host family organised. I felt like a bird! I went on a canopy tour in the Tsitsikamma Forest. On a canopy tour, you travel over the forest on a cable **that / where / who** is 30 metres in the air. People **which / whose / who** are scared to be high above the ground won't enjoy a tour like this, but I loved it! Along the way, we stopped at several platforms and our guide taught us about the forest. According to him, some of the trees in the forest are almost 700 years old. We also saw lots of birds.  
If I had planned better, **had / will have / would have** brought my binoculars. You don't **have to / should / mustn't** try the canopy tour when you visit South Africa this spring. If I **were / am / had been** you, I would order tickets online. It's a very popular place. I'll write again next if I **have / had / have had** time.
