

MATCH THE SMILEY EMOJIS WITH THEIR MEANING

	Everything went well! Relieved smiley face. Is happy that something unpleasant is over without having caused any harm. Relaxed, thankful and free of worries.
	Don't take me seriously!
	I am laughing to hard that I can hardly keep myself on my chair!
	A light smile means you are satisfied with yourself and the world. Or have a sarcastic meaning when a smile does not actually fit the content.
	Relief that a tight situation went well or was coped with positively, e.g. an important appointment. A difficult event is imminent and you are already nervous.
	Typical smiley face with open mouth and oval eyes. Is in a positive mood, shows its teeth and laughs cheerfully. Expresses enthusiasm: from a cheerful greeting to boundless joy.
	Smile, even in difficult times. Someone is going through difficult times or has a lot of problems.
	The face is laughing boundlessly rolling on the floor, laughing
	Happy face with a mischievous laugh. Represents lightheartedness and exuberance. Full of joy due to an event, excited and agitated or just a bit embarrassed.
	I am as merry as a lark! Completely satisfied and speechless. Shy grin in response to a nice compliment or something great that happened.
	Emoji is on the verge of a fit of laughter because something is so silly or incredibly funny. Also, mischievous or bitchy laughter about an event, or something that happened to another person.. Means the same as "XD" and "X" as a text-based emoticon.
