

WRITING EXERCISE – A SUMMER CAMP

1. Read the text below.

Diana is in a summer camp now. She is with her friend Mary. She is learning about forest plants because she wants to learn which plants are poisonous. Yesterday the students built shelters. Tomorrow, the students will work in groups and practice orienteering. She likes the camp very much because she's got a lot of new friends. She likes the teachers, too. They are interesting and kind. The weather is good, too. It's sunny and warm. She's having a great time.
