Horizontal and Vertical Lines

1. Label each line as horizontal or vertical.

a. $y = 7$
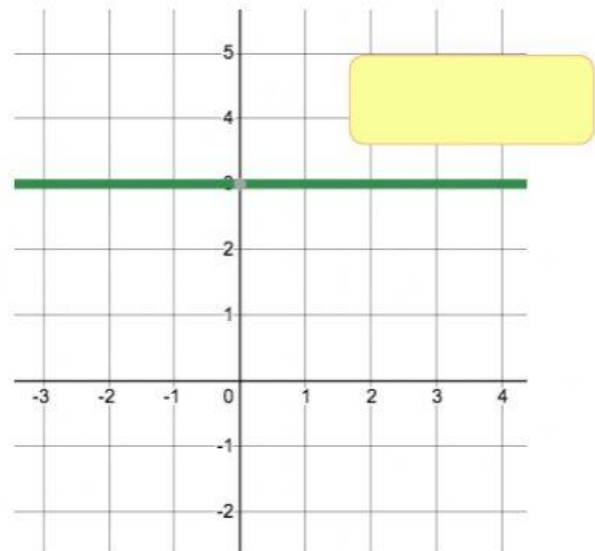

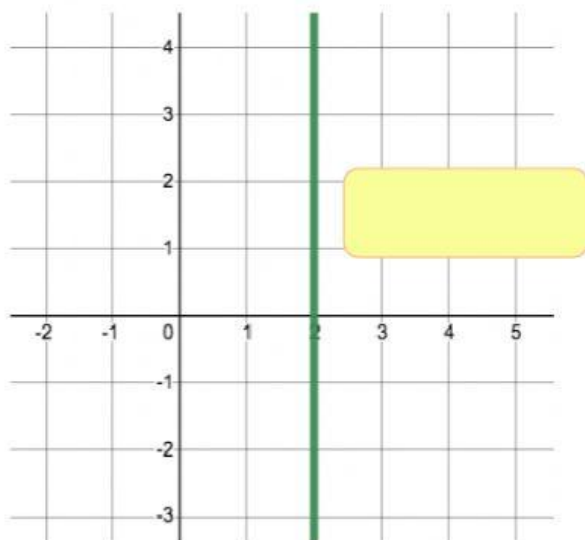

b. $x = 8$

c. $y = -5$

d. $x = 0$

e. $y = 18.5$

f. $x = -9$

2. Match the correct equation of a line to the graphs shown below. Drag the correct equation into the yellow rectangle on each graph.

| y= 2 | y = 3 | x = 2 | x = 3 |
