MORAL OF THE STORY: Too much anger is never good.

The bear lost his temper. He knocked the beehive and started destroying it.

The bear peered inside the beehive, hoping to find some honey. On seeing the bear, a bee flew out and stung him sharply.

LIVEWORKSHEETS

The bear ran as fast as he could to the nearest pond. He jumped quickly in the water to save himself.

As the beehive broke, a lot of bees flew out and stung the bear.

A hungry bear was roaming in the forest looking for food. He came across a beehive.
