**Grade 11** **Unit 5** **Lesson 6** **Grammar worksheet**

**1** Look at the underlined words in the paragraph and replace each one with one of the words from the box.

| peaks | climates | inhabitants | forests | cliffs | tropical |
|---|---|---|---|---|---|

Geography is a very interesting subject. By reading about countries, you get to imagine living in different [1] weather conditions around the world, freezing cold or [2] hot and humid. You can also imagine meeting [3] residents of strange and new places. You can go on adventures to faraway new places, like [4] jungles. You can even dream about jumping off [5] steep rocks into the sea, and reaching high [6] mountain tops.
