

Lesson 5: Daily Routines

Activity 3 Practice

Find the verbs in the text and write the correct preposition to make phrasal verbs.

I usually wake up late. I get up quickly and have a shower. I don't eat breakfast. I run to school and sometimes I am late. I am hungry all day. After school, I walk home slowly with my friends. When I get home, I sit down on the sofa. I pick up the phone and I order a pizza. I turn on the TV and relax.
