Dear Ana and Rosa:

How are you? I write because I miss you so much. I have spent these months at home wanting to go for a walk or play football with you. They say that now we can go out for some time, so I hope you are having fun when you do it.

When we meet again I want to do a lot of things with you. We will go to school trips again and we will laugh and play all day long.

Also, we will have delicious healthy sandwiches and we won't have to be at home for hours.

I hope both of you are well and happy.

Hugs and kisses

Elena
