

9 - VOLCANO ERUPTION PUZZLE

Match the puzzle safety tips to their meaning.

Miss Karina

Wear goggles and
a mask.

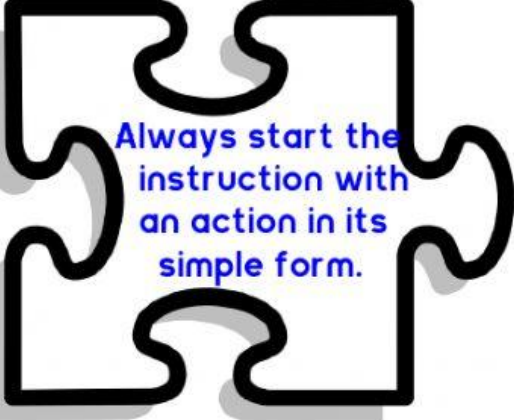

If the volcano
erupts,
know
your
escape
route.

Avoid river areas
and avoid driving.

Wear long-sleeved
shirts
and
long
pants.

HOW TO GIVE INSTRUCTIONS DURING AN EMERGENCY

Always start the instruction with an action in its simple form.

Go to the nearest shelter in case of a tornado.

Give short and concise information.

Do not touch any metallic structure during a flood.

To prohibit an action, use "Do not" before the action.

Stay away of sources of fire in case of an earthquake.
