|           |                                                                                                                                                                                 |                                                                                                                                                                                 |                                                                                                                                                                                 |

**4.** Which **subtractions** have the **difference** of 145? Tick (✓) all that apply.

- ☐
155 – 10
- ☐
305 – 160
- ☐
728 – 620
- ☐
497 – 352

**5.** Solve the problem.

There are 514 oranges on the tree.

John takes away 208 oranges from the tree.

How many oranges are there left on the tree?
