READ THE FOLLOWING STORY AND THEN ANSWER THE QUESTIONS.

Once upon a time people came to see Chloe Miller sing. Chloe was a **singer**.

Chloe had a secret; she did not know how to sing. She did not want to sing in front of the people. So, she ran to the bathroom to cry. She did not know what to do, she wanted to go home.

Then a little man appeared and said to Chloe, 'I can help you sing very well –. What will you give me?'

'I have only this ring,' Chloe said to the little man.

'I will take that!' the little man said.

When Chloe sang her songs, her voice was so beautiful that the audience was happy.

The next month, Chloe had to sing again. Chloe was afraid and she ran to the bathroom. How will I sing? she said. But the little man appeared. 'Give me your shoes and I will make you sing well again,' he said.

The **people** were happy because Chloe was singing. They laughed, danced, and they said that Chloe was very good. Chloe tried to look happy during the show, but she did not want to be a famous singer.

This time, when the little man came, Chloe had **nothing** to give him and she was afraid. 'I sing and everyone will know I do not know how to sing' Chloe said.

'I want something,' the little man said.

Chloe agreed. She sang and it was beautiful. But Chloe was not happy because she did not enjoy singing, so she decided to do something different. She went to drama school and improved very much her dreams. She forgot about the little man and become an actress.

One year later, she was nominated for an Oscar for Best Actress. But the little man appeared again. 'Do you **remember** your promise?' he said. 'Give me your first Oscar or I will tell everyone that you do not know how to sing'

'I will give you money,' she said, 'but please do not tell everyone. I love that Oscar!' and then she cried.

'If you can guess my name in three days,' he said, 'you can keep your Oscar'

On the first day, Chloe tried with many names. 'James, Ahmad, Santiago, Danil, Ji-hun'. But they were wrong. On the second day she tried with more names. 'Drake, Justin, Kanye, Ed, Zayn'. But they were wrong too. Chloe was afraid. She had only

one more day to guess. So, she asked a friend if he knew something about the little man. Her friend said no but he gave Chloe a paper with three names, the last name was Rumpelstiltskin.

The next day the little man came and said, 'Guess my name or tonight I will take your Oscar and I will tell everybody that you do not know how to sing'

Chloe **selected** the last name of the list and asked: 'Is your name … Rumpelstiltskin?'

'Ahhhh,' Rumpelstiltskin screamed, because she was right. He disappeared and Chloe lived happy forever.
