

ALL OF THE STARS – ED SHEERAN

It's just another
And I'm staring at the moon
I a shooting star and thought of you
I sang a lullaby
By the waterside and
If you here, I'd sing to you

You're on the side
As the skyline splits in
I'm miles from seeing you
I can see the stars
..... America
I do you see them, too?

So your eyes and see
The our horizons meet
And all of the lights will lead
Into the with me
And I know these will bleed
But both of our hearts
All of stars will guide us home

I can your heart
On the radio
They're Chasing Cars and I of us
..... to the time
You were lying to me
I looked and fell in love

So I your hand
Back lamp lit streets I knew
..... led back to you
So, can you see the stars
..... Amsterdam?
You're the song my is beating to

CHORUS

OVER
WERE
NIGHT
OTHER
SAW
WONDER
WAY
NIGHT
SCARS
BELIEVE
THESE
BEAT
PLAYING
AWAY
BACK
TWO
NEXT
KNEW
ACROSS
FROM
TOOK
THROUGH
EVERYTHING
HEART
THOUGHT
HEAR
OPEN
