Autonomous, semi-autonomous and remote-controlled robots

Activity 10

Lab

Mariam and Ahmed are learning about the **automation industry**.

They are doing some **research** to learn what each industry does.

Use a **search engine** to do some research on what each **industry** does.

The first one has been done for you.

Industry	Image	What does this industry do?
Automotive		Used for building cars
Welding		
Food services		
Law enforcement		
Electronics manufacturing		
Medical
