Dear Alice,

How are you and how is your new school? Are there many students? Do you have any new school mates? I have got some great news. I am visiting Thailand in December and I am planning to stay there for fourteen days. So, this year I am spending Christmas and New Year in a tropical country.

I am visiting two places in Thailand: Bangkok and Krabi. In Bangkok, I am planning to stay in a lovely small hotel that's near a colourful fruit and flower market. There are hundreds of different kinds of wonderful and tasty fruit for sale at the market, and I am planning to try all of them. In Krabi, I am staying in a beach hut and I hope there will be lots of time to simply relax and go swimming in the sea.

You know that I love cooking, don't you? Well, I am planning to have some cooking lessons in the first week of my stay in Thailand. I would like to learn how to cook Pad Thai, which is a spicy dish made with noodles, chicken, eggs and spring onion. The secret of a good Pad Thai is the sauce. To make it, you need chilli sauce, fish sauce, soya sauce and some brown sugar.

I also want to learn how to make a yummy dessert made with mango, called Mango Sticky Rice. To make it, you cook some rice in coconut milk and sugar and then you serve it with fresh, juicy mango.

Well, that is all from me. I am very excited and I promise to send you many photos.

Kisses,  
Anna
