# Just for Fun!

## 1 Does it hurt your feet?

No. I don't think about my feet because it's so much fun! I love the speed<sup>1</sup> and the wind in my face.

**You're very good at it. Do you practice a lot?**

Yes, I do. On Fridays we have big competitions.

## 2 How often do you race?

We race at least once a week – if it doesn't rain.

**It looks dangerous. Why do you do it?**

I race just for fun!

## 10 What do you wear when you race?

We wear helmets, gloves and special clothes to protect us.

**Well, have a good time – and be careful!**

## 3 Is it scary under the water?

No. I love the quiet and there are amazing fish in the Red Sea. It's a different world under the water.

**Is this an expensive sport?**

Yes, it is. You have to pay for lessons, and the equipment is expensive.

**Is it dangerous? Who do you dive with?**

It can be dangerous. We always dive with a partner.

## 4 Is that a snowboard?

No. It looks like a snowboard, but it's different. We don't use it on snow, we use it on sand.

**Really? Where do you go to do that?**

We go to sand dunes<sup>2</sup> between Ashdod and Rishon Lezion. It's a great sport because we can do it all year round.

**Is it a dangerous activity?**

No. Teenagers, adults and young children can all do it!

## 5 Where do you jump from?

We usually jump from a bridge over a river, or over the sea.

**I think it looks scary. Is it dangerous?**

No. It isn't really dangerous. The rope<sup>3</sup> doesn't let you hit the water. I don't even wear a helmet.

**How does it feel?**

It's very exciting. I get a great feeling as I fly through the air.

<sup>1</sup> speed מהירות / سرعة

<sup>2</sup> sand dunes דיונות חול / كثبان رملية

<sup>3</sup> rope חבל / حبل
