2. Write the auxiliary verbs you find in the text!(*Tulislah kata kerja bantu yang anda temukan dalam teks*)
3. Classify the verbs into group (regular and irregular).*Kelompokan menurut bentuknya.*

On Christmas Holiday Last month My brother and I went to Manggarai. We visited my aunt family. They were really happy because that was the first visiting of us.

My aunt's daughter, Ririn always told me about her school. We always sat in the living room. We watched our favorite film and sang love song together. My brother was busy. He helped my aunt feeding the chicken every morning. My aunt cooked our favorite food. She also made some kinds cake for Christmas and the new year. My Dad called us every night to check whether we were happy or not.

Two weeks ago, we returned to Ende. My Aunt gave my brother a beautiful souvenir. It was Manggarai's cap. I had a beautiful Traditional Cloth from Ririn.

It was very happy and unforgettable moment for me.
