Name : _____

Break Apart Numbers to Add

Objective : Use mental math to add 2 - digit numbers.

Break apart the addends. Find the sum.

---

24 + 29 = ?

20 + 4 + 20 + 9

Add the tens. 20 + 20 = 40

Add the ones. 4 + 9 = 13

How many in all? 40 + 13 = 53

So, 24 + 29 = 53

---

46 + 18 = ?

____ + ____ + ____ + ____

Add the tens. _____ + _____ = _____

Add the ones. _____ + _____ = _____

How many in all? _____ + _____ = _____

So, 46 + 18 = _____

---

38 + 16 = ?

____ + ____ + ____ + ____

Add the tens. _____ + _____ = _____

Add the ones. _____ + _____ = _____

How many in all? _____ + _____ = _____

So, 38 + 16 = _____

---

65 + 28 = ?

____ + ____ + ____ + ____

Add the tens. _____ + _____ = _____

Add the ones. _____ + _____ = _____

How many in all? _____ + _____ = _____

So, 65 + 28 = _____
