She can't visit her family and friends because it is hard for her to walk. She is very sad. Dana, her 10-year-old neighbor, wants to help her. She goes to Sara's house every week. Dana teaches Sara how to use the computer. Now Sara can send emails to her family and friends. She can also look at pictures that her family and friends send her. This makes her happy. Sometimes Dana and Sara make food and eat lunch together. They listen to music and read stories on the computer too. Dana wants to help more people. She is starting a new project called 'Kids Teach'.
