

# ให้เด็กๆเติมพยัญชนะไทยให้ครบทั้ง ๔๔ ตัว

พยัญชนะไทยมีทั้งหมด ๔๔ ตัว

A large grid of 44 empty circles connected by dashed lines, forming a path for a word search. The path starts at the top-left circle containing the Thai letter 'ฮ' and ends at the bottom-right circle containing the Thai letter 'ค'. The path winds through the grid, visiting 44 circles in total. Some circles contain Thai letters: 'ฮ' (top-left), 'จ' (middle-left), 'ก' (bottom-left), 'ง' (middle-right), and 'ค' (bottom-right). There are also several empty circles along the path. The grid is decorated with space-themed illustrations: a rocket, a planet with rings, a globe, a moon, and another rocket.
