Clauses of Purpose

We use **clauses of purpose** to explain why somebody does something.

We can express **positive purpose** using:

- **in order to/so as to + infinitive** (formal)
He stayed up late in order to/so as to write another chapter of his book.
- **so that/in order that + can/will** (present/future reference) *I need to use my credit card so that/in order that I can buy the novel online.*
- **so that/in order that + could/would** (past reference)
She left work early so that/in order that she could meet the author at the book-signing.

We can express negative purpose using:

- **in order not to/so as not to + infinitive** *I only read e-books in order not to/so as not to fill my room with books.*
- **so that + can't/won't** (present/future reference) *We have to be very quiet so that we won't wake the baby.*
- **so that + couldn't/wouldn't** (past reference) *I didn't watch the film so that I wouldn't find out the ending before I'd finished the book.*

Письменно в тетради полными предложениями.

Task 3. Join the sentences using the words in brackets.
