Используйте **So ... I** или **Neither ... I**.

I'm tired.

So am I

I'm learning Belarusian.

My brother has never been to the water sports palace in Brest.

I would like to see the most romantic Belarusian festival "Kupalle".

The Belarusians are kind, soulful and hospitable.

I think Belarusian specialists are much in demand nowadays.

I didn't visit Krichev last year.

Next year I will visit the Residence of Ded Moroz in Belovezhskaya Puscha.

I took part in some activities organized by the Belarusian Republican Union of Youth.
