Câu trả lời của bạn

My name is Pat. I went to the zoo in the summer with my family. I saw a lot of animals in the zoo. There were a lot of little fish swimming in the water and monkeys climbing the

trees. The zookeeper said that monkeys live in forests. I also saw some bats, they live in the caves and come out at night. My favourite animal there, was this really big grey elephant , it has a long nose and looked so happy.

Question 8 : What did you do in the summer? *

0,5 điểm
