Then I watch my teachers on the Internet. Next, I do my school work. Finally, I email my work to my teacher. Some of my school friends live 2,000 kilometers away! The wolf pup are hungry, but their mother can't find enough food. Soon there is only one pup left. He drinks his mother's milk and slowly grows stronger. He is fierce, but he is playful, too. When his mother leaves the cave to look for food, he explores the cave, but he is afraid to go outside. However, as he grows older, he wants to find out what the world is like outside the cave. He learns to hide in the long grass or in the bushes. He learns to hunt and he catches small animals to eat. Other animals try to attack him, but he learns to fight. His mother is proud of him. She can see that is becoming a great wolf.

One day, while the young wolf is exploring, he comes to a village. He sees a group of men and he is afraid. One of the men tries to pick him up. The pup growls and shows his sharp, white teeth. The men laugh. "Look at those teeth," they say. "let's call him White Fang."

Another man tries to pick White Fang up, but White Fang bites the man's hand. The man hits White Fang and White Fang cries. His mother hears him and comes to find him. When she sees the men, she lies down on the ground. She respects humans. A man decides to keep White Fang and his mother. At first, White Fang wants to escape. But the man feeds White Fang and gives him a dry place to sleep. When other dogs try to attack White Fang, the man chase them away. "Men can protect me and care for me," White Fang thinks.
