

ACTIVITY 7: MATCH WORDS

Name: _____ Group: _____

1. Show us the language or region of the sheet.
2. Group of cells grouped horizontally, from the left side of the sheet to the right.
3. Cells that are grouped vertically from top to bottom of the Sheet.
4. Are the equations or operations that perform calculations on the values in the sheet.
5. The intersection of a row and column. It can contain a single value (text or numeric) or a formula.
6. Save the file automatically, every few seconds.
7. Contains commands that allow you to insert objects into a sheet, such as text, graphs and tables.
8. Help us to add symbols of coins in the cells to get the results.
9. Contains the name of the sheet.
