Amir is very happy this morning! This is the first day of camp. Last year, Amir went to day camp. This year, he can spend nights at camp. He is going to stay a whole week, just like his brother.

Last night, Amir packed his clothes. This morning, he dressed and brushed his teeth. Then, he went to the kitchen. Amir's dad gave him some eggs and toast. But Amir was too happy to eat!

Amir's dad drove him to camp. The trip seemed like it would take forever. Finally, they came to the camp. There were hundreds of boys and girls all dressed in blue shorts and yellow shirts.
