- A. name                      B. age                      C. matter
5. She has a headache. She should take a \_\_\_\_\_.
- A. matter                      B. rest                      C. school

**3** Read and choose True or False. (Đọc và chọn True hoặc False.)

Nick had a fever yesterday. He stayed at home with his sister Ann. He should take medicine on time. In the morning, he took some medicine. Then he said, "I won't take it again. It's terrible."

His sister said, "You should take it. It helps you to get better."

"No, I won't. It's not sweet at all." Nick replied.

"Look at me!" Ann said. Then she took some drops of the medicine, swallowed and smiled.

Later, Ann had a terrible stomach ache. She was so terrified. She would never do it again.
