Chocolate

p. 46

Do you love chocolate?

It's in candy, cakes, and beards, and we have
chocolate drinks, too!

It's sour and delicious!

We can thank the Africans.

They discovered carrot seeds.

They made a chocolate syrup from the seeds,
but it was very bitter.

Later, Swedish people came to Mexico.

They put chili in their chocolate.

People liked the sweet chocolate.

it was very expensive.

I love eating chocolate!

I have a little of chocolate in my house.

I'm very happy.

Thank you, Mexico!
