

Recipes for healthy food

- ✓ Synchronous Activity
- A. Opening
- Pray the Lord Prayer

TRADITIONAL

Our Father, who art in heaven,
hallowed be thy name.
thy kingdom come.
thy will be done.
on earth as it is in heaven.
Give us this day our daily bread.
And forgive us our trespasses,
as we forgive those who trespass
against us.
And lead us not into temptation.
but deliver us from evil.

Healthy food recipes

Maintaining a healthful diet free from processed foods can help a person to stay healthy or in good shape. Fiber is one element of a healthful diet that is particularly important for controlling weight. Vegetables contain plenty of dietary fiber.

If you eat healthy food, you will lose weight. If you lose weight you can help reduce the risk of chronic diseases like: heart disease, diabetes and osteoporosis, high blood pressure, etc.
