Well, on Saturday my family and I _____ shopping. My brother and I _____ some candies. After that, we _____ Chinese food. It was delicious. I love it! Then as dessert, we all _____ an Oreo milkshake, our favorite.

On Sunday, I _____ my homework. I _____ my Spanish book and _____ a poem. In the evening, I played with Billy – my dog, and I _____ a funny picture of him. He looks so cute.

But, what about you, Matt? What did you do on your weekend?

My weekend was great. First, my dad and I _____ a treehouse on Saturday. We had fun together. The treehouse looks amazing. When we finished, we were so hungry, and we _____ pizza. Then, I _____ karate. I need to practice for a competition. Later in the evening, my family had a Karaoke party. My mom and I _____ our favorite song.

On Sunday, I did my homework too. I had an English project. I _____ a video and _____ a picture of my family. Finally, I _____ the Avengers: End Game movie.

I can't wait for the next weekend.
