

Dear Jonh,

Hi! How are you?

I have been really busy lately because I *(enter)* a Young Investor's Competition next month. It is at the National Exhibition Centre on the 17th August. It *(start)* at 10 am and finishes at 6 pm. I *(go)* to give a presentation of my invention to hundreds of people.

Untill then I *(work)* night and day to improve it. I won't tell you now what it is but I think everyone will be surprised. By the day of the competition I think I *(have)* enough time to make it perfect. Do you know I *(work)* on it for almost a year by then?

Well, that's all for now. I hope you can come and see me and my invention.

Write back soon.

Owen
