You may use the video clip as your guide.

A. Identify the images and write if it is an example of a push or pull.

1.

2.

3.

4.

5.

6.

7.

B. Fill in the blank with the correct answer to complete the statements.

1. _____ and _____ are two forces we used to move objects.
2. A _____ moves an object away from you.
3. A _____ moves an object toward you.
4. Push and Pull are also known as _____.

****Since you have learned the concept of PUSH and PULL, you will be learning the types of forces that can move objects on page 80 of your science textbook. Advance reading is an advantage for the lesson of force.***
